

CARDINAL

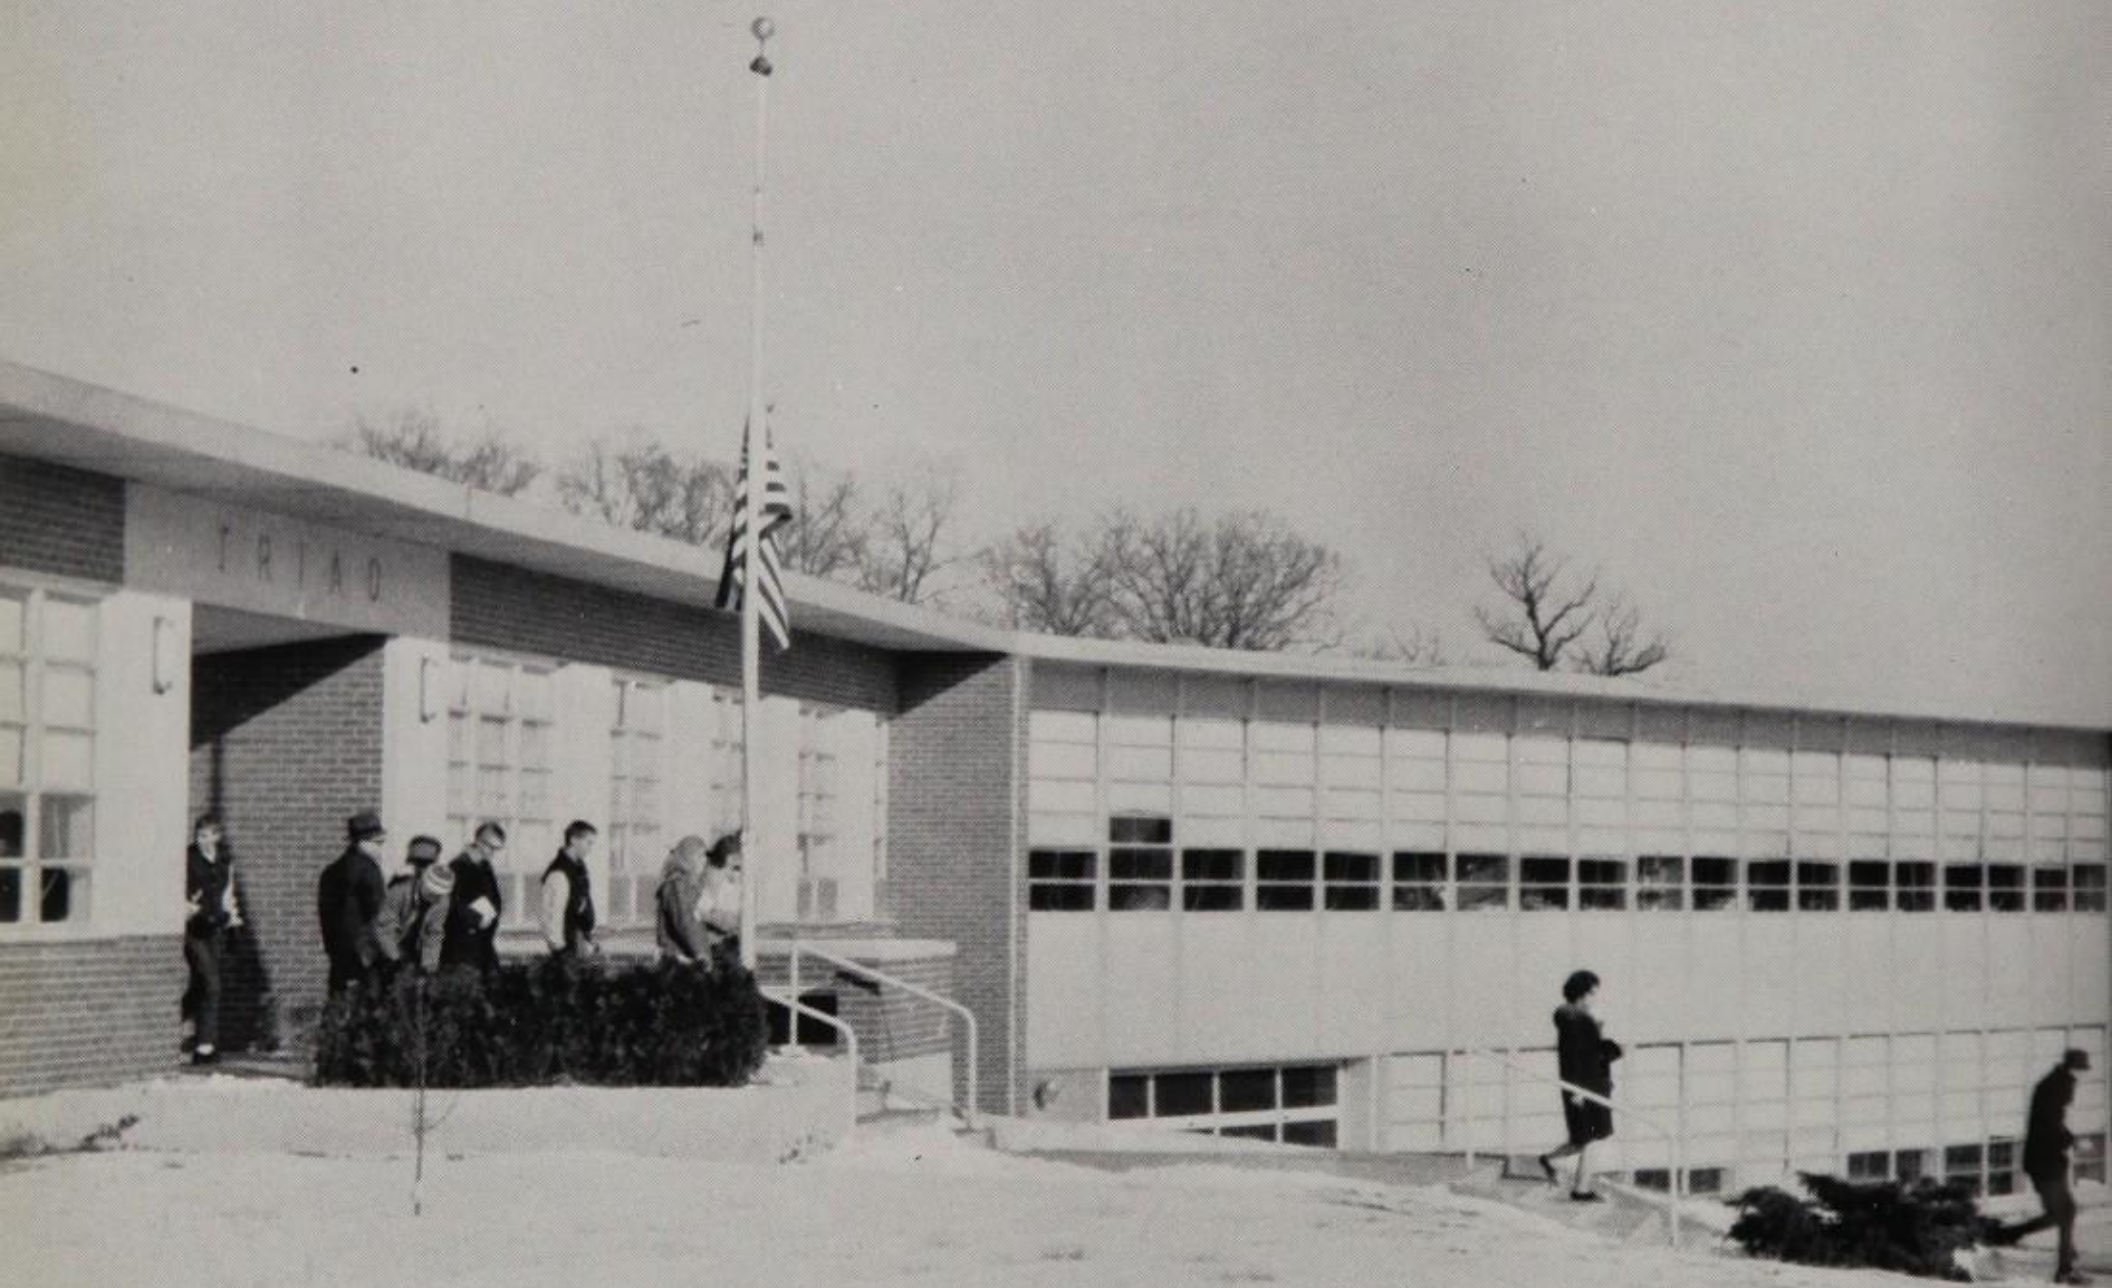

*The
Cardinal
1965*

Triad High School

*North Lewisburg,
Ohio*

As you glance over the pages of the 1964-65 Cardinal may you recall many fond memories.

May the pictures serve as a reminder of your high school days. Through the medium of this yearbook may our associations be long remembered.

Keep this book well. You will derive a great deal of pleasure from it in the future.

You have now completed your High School education. You are young adults, ready to take your place in the total community.

Whether or not your future life grants to you and others what is expected will depend on you.

TRIAD means "Group of Three." The three factors of your life that are grouped are: education, need and effort. All three must work in harmony.

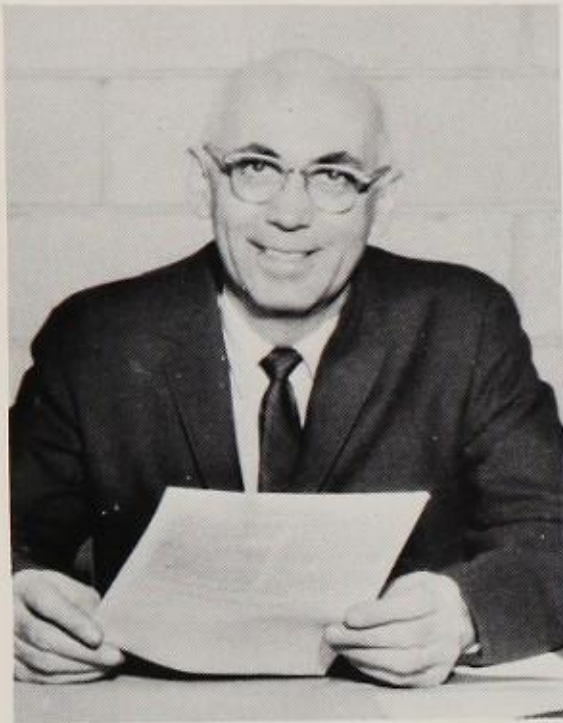

We wish you every opportunity to make further use of your personal "TRIAD."

Albert W. Wilgis

Each life is a light unto the world. The amount of brilliance of that light rests in each individual. May your life so shine that others will wish to follow in your footsteps.

Mike Troyer was the individual star of the meet as he scored 22 points and set a school record in the low hurdles in the time 21.7 seconds.

Another Triad record was broken in the shot-put as Louis Rogan heaved the shot 44 ft. 6 1/2 inches.

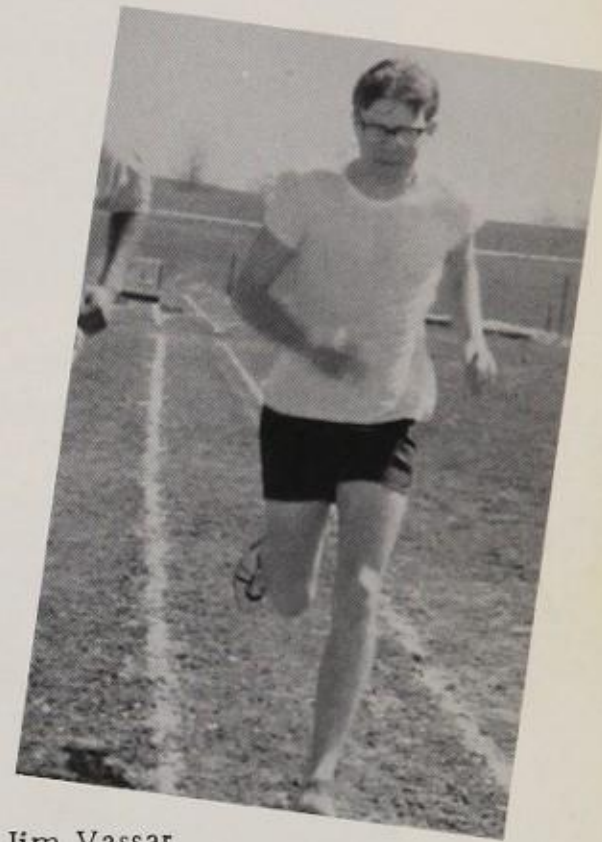

Jim Vassar, Eric Johnson - placed in the district and advanced onto the regional before bowing out for the 1965 season.

Other boys who placed but didn't finish high enough to advance to the regional:

Mike Troyer, high and low hurdles
 Dave Graham, broad jump
 Louis Rogan, 220

Production Staff: Jane Evans, Linda Hall, Joyce White, LaVonne Hunt, Pat Barker, Anita Hayslip, Dick Cooper, Jim Craig, Eric Johnson, Gary Hess, Roland Johnson, JoEtta Westfall, Danny Johnson, Maureen Davis, and Kent Neer.

VOCATIONAL EDUCATION IN DIVERSIFIED COOPERATIVE TRAINING

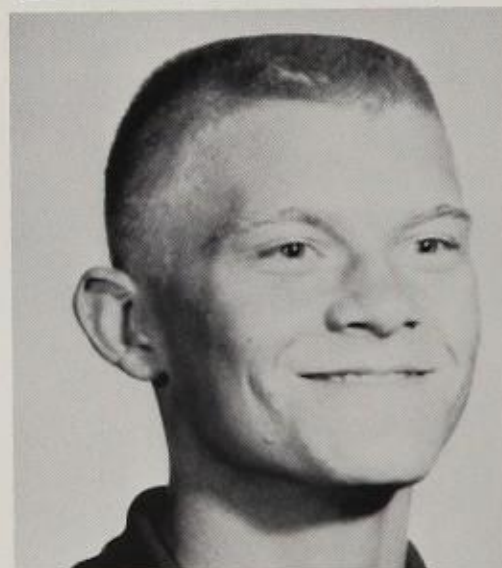

Diversified Cooperative Training provides vocational training on a part time basis for high school boys and girls during their senior year. DCT is basically for non-college bound students.

For one-half day students are trained on the job in actual occupations. The other half-day is divided between required academic studies and studies related to the occupation. Several occupations are included in the program but each student receives training in only one, hence, the word diversified refers to the program as a whole. Students receive credit for their vocational training and, upon graduation, receive the regular diploma plus a vocational certificate.
